The firm of Gaston, Marion & Stubbs, P.A. represents Josh and Chris Orr concerning the Estate of their mother, Judy Orr Baldwin. At the request of Josh and Chris Orr we have agreed to disseminate the following message on their behalf:

As the children of Judy Orr and on behalf of the entire family we want to publicly say thank you to all of those that have given thoughts and prayers to us during the investigation of our mother's murder. The last year and 8 months have been very hard for all of us, but we are relieved that the wheels of justice are now spinning. We especially want to thank Chester County Coroner Terry Tinker for his persistence and dedication in seeking justice for our mother. Without Coroner Tinker's dedication to murder victims in Chester County we would not be where we are today. We also want to publicly thank Deputy Solicitor Candice Lively and Investigator Keith Lewis of the 6th Circuit Solicitor's Office in Chester, Kristen Grant of the State Law Enforcement Division, State Trooper Kirk Winburn and the many other representatives of the South Carolina Highway Patrol for their diligent effort in piecing together the entire case from start to finish in a professional manner with attention to detail. This day has been a long time coming, but this is just step one in the prosecution process. We are confident that the criminal justice system will deliver to us and our mother the justice she deserves for the violent death she suffered at the hands of her very own husband. Many disturbing details will be released about this case as the process moves forward. It is not our place to release those details. Our number one concern at this time is that we remain unified in seeking justice for our mother doing everything we can to assist the Solicitor's office in the ultimate goal of a murder conviction of James Harold Baldwin, Jr. for killing our mother. The case is now in the hands of very capable prosecutors and our trust is in them and in our Lord Jesus Christ. We ask for continued prayer and support from everyone as this process moves forward that justice will prevail for our mom.
