

2011-2016

**North Carolina Kindergarten Immunization Reporting Data
by School and County**

Reporting Details:

- Public, private, and religious schools shall file an annual immunization report with the Department by November 1 per G.S. 130A-155(c).
- Per N.C. G.S. 130A-155, schools must report the following information:
 - the number of children attending the school or facility
 - the number of children who had not obtained the required immunization(s) within 30 days of their first attendance
 - the number of children who received a medical exemption
 - the number of children who received a religious exemption.
- ME refers to students with a valid medical exemption on file as defined by N.C. G.S. 130A-156.
- RE refers to students with a valid religious exemption on file as defined by N.C. G.S. 130A-157.
- County and statewide estimates have not been adjusted for nonresponse nor weighted for sampling discrepancies.
